PROFESSIONAL SUMMARY

Computer Science undergraduate with hands-on professional experience building and deploying production-grade applications using PHP, Laravel, and the MERN stack (MongoDB, Express.js, React.js, Node.js). Strong foundation in data structures, algorithms, and object-oriented programming, backed by 150+ solved problems on competitive programming platforms. Skilled in REST API design, secure authentication, database management, and version-controlled deployment workflows. Adaptable and detail-oriented, seeking to contribute analytical and software engineering skills to diverse computer science roles.

TECHNICAL SKILLS

Programming Languages: C, C++, Python, JavaScript (ES6+)

Core CS Foundations: Data Structures & Algorithms, Object-Oriented Programming, Problem Solving (150+ problems on Codeforces & LeetCode)

Web & Backend Development: PHP, Laravel, Node.js, Express.js, REST APIs, JWT Authentication

Frontend & UI: HTML5, CSS3, React.js, Tailwind CSS, Bootstrap

Databases: MySQL, MongoDB

Tools & Platforms: Git, GitHub, cPanel, Vercel, Netlify, Firebase

WORK EXPERIENCE

Full Stack Web Developer

IT PORI | November 2025 – Present | Dhaka, Bangladesh

- Designed and implemented backend logic, routing, and database structures for client applications
- Deployed and managed applications on production hosting environments
- Built responsive, user-facing interfaces and collaborated across the full development lifecycle from requirements to deployment.

PROJECTS

Dynamic Portfolio Platform — React.js, Node.js, Express.js, MongoDB, Firebase, JWT

- Built a full-stack platform enabling users to sign up, create, and publicly showcase professional portfolios with secure authentication.
- Designed backend CRUD operations and RESTful data models; implemented a responsive UI with reusable component architecture.

Live: [portfolio-repo.web.app](#)

Restaurant Management System — React.js, Node.js, Express.js, MongoDB, JWT, Stripe

- Developed a full-stack application with role-based access control, an admin dashboard, and integrated payment processing.
- Implemented real-time data handling and efficient state/data-fetching logic for a smooth end-to-end user experience.

EDUCATION

B.Sc. in Computer Science and Engineering

Dhaka City College, National University | 6th Semester | Expected Graduation: July 2027

Semester CGPA: 3.38 (1st) | 3.50 (2nd) | 3.25 (3rd) | 3.18 (5th)

Higher Secondary Certificate (HSC)

Kabi Nazrul Govt. College | Science Group | GPA: 5.00 / 5.00 | Passing Year: 2021

LEADERSHIP & VOLUNTEERING

- Event Coordination:** Led a major college event in May 2023, managing logistics and activities for 250+ participants.
- Volunteering:** Participated in college-organized Iftar Mahfil events in 2024 and 2025, assisting with setup, coordination, and guest management.

LANGUAGES AND HOBBIES

- Languages:** Bangla (Native), English, Hindi, Urdu
- Hobbies:** Learning new skills, Movies, Travelling, Listening to Music, Video Editing
